Previous applicants need not reapply.

Chief Executive

NSW Irrigators' Council Sydney

NSW Irrigators' Council (NSWIC) seeks to appoint a Chief Executive to lead the Council's development of industry policy and its participation in the current national water reform program.

NSWIC represents the interests of approximately 12,000 irrigation entitlement holders across NSW.

Reporting to the Chairman and Directors, the Chief Executive will provide policy advice and direction to the industry and represent the Council at both a State and National level.

To succeed in this position you will need to demonstrate a proven ability to:

- **Lead and manage policy development and representation for an influential industry association;**
- **Negotiate challenging water resource management outcomes;**
- **Maintain and develop important strategic relationships with governments and industry; and**
- **Confidently communicate with media and key industry stakeholders.**

Applications in strictest confidence should be emailed to jobs@nswirrigators.org.au by no later than COB on **Monday 2 July 2007**.

Previous applicants need not reapply.

Enquiries in the first instance should be directed to the NSWIC office on 02 9251 8466. More information can be found at www.nswirrigators.org.au
